Correction to Verhage et al. (2016)

In the article “Narrowing the Transmission Gap: A Synthesis of Three Decades of Research on Intergenerational Transmission of Attachment,” by Marije L. Verhage, Carlo Schuengel, Sheri Madigan, R. M. Pasco Fearon, Mirjam Oosterman, Rosalinda Cassibba, Marian J. Bakermans-Kranenburg, and Marinus H. van IJzendoorn (*Psychological Bulletin*, 2016, Vol. 142, No. 4, pp. 337–366. <http://dx.doi.org/10.1037/bul0000038>), there are errors in Table 7. The percentages of the attachment classifications do not add up to 100%.

Please find the corrected version of Table 7 below.

Table 7

Cross Tabulation of Four-Way Classifications of Caregiver Attachment Representations and Child-Caregiver Attachment
